Documentation of Additional Agencies

The interface features a top navigation bar with the following icons and labels: INCIDENT, PATIENT, VITALS, FLOWCHART, ASSESSMENTS, NARRATIVE, FORMS, BILLING, and SIGNATURES. The left sidebar contains the following categories: RESPONSE, SCENE, PERSONNEL, DISPOSITION, DESTINATION, TIMES, MILEAGE, **ADDITIONAL**, and NFIRS. The main content area is divided into sections: 'Additional Factors' (with a menu icon), 'Additional Agencies' (with a search bar), 'Additional Responders', and 'Additional Comments'. A right-side panel titled 'Additional Agencies' includes an 'OK' button and a list of agencies with checkboxes:

- Austin Fire Department
- Palm Bay Fire
- Wayne Township Fire Department
- Travis County ESD #4
- Paramedics Plus
- Charlotte City Fire Department
- Eagle FD

Add/Edit/Deactivate Additional Agencies

Navigate to Admin > General > Other Agencies

New Other Agency

Name
Houston Fire Department

State
Texas

Available in ESO EHR
Yes

Agency ID
101017

Available in Fire-Incidents

FDID

NOTE: The Agency ID number is the unique EMS agency number provided by your state licensing credentialing department.

Medical/Trauma

Enable the COVID-19 Impressions

Navigate to Admin > EHR > Narrative Tab > Configurable Fields > Impressions

Enable the three impressions:

- COVID-19 - Confirmed by testing
- COVID-19 - Exposure to confirmed patient
- COVID-19 - Suspected - no known exposure

Note: These impressions are not available to agencies in California.

Update ESO EHR Mobile

The screenshot shows the ESO EHR mobile application interface. On the left, there is a dark blue sidebar with the ESO logo and the text "Healthcare Connected". Below this, there is a login section with the username "ahawthorn" and a password field represented by dots. A green "Let's Go" button is at the bottom of the sidebar. On the right, the main content area shows a blurred image of an ambulance. In the top right corner, there is a version number "Version 5.18.1769.0" and a refresh icon. A white notification box is overlaid on the refresh icon, containing the text "System is up to date as of Mar 03, 2020 at 5:15 PM" and a blue link "Update System Data". Four red arrows with white numbers point to specific elements: arrow 1 points to the username field, arrow 2 points to the password field, arrow 3 points to the refresh icon, and arrow 4 points to the "Update System Data" link.
