13. Accounting of Disclosures. Within five business days of notice by a Covered Entity to Business Associate that it has received a request for an accounting of disclosures of PHI, Business Associate shall make available to a Covered Entity information to permit the Covered Entity to respond to the request for an accounting of disclosures of PHI, as required by 45 C.F.R. 164.528 and HITECH.
14. Other Obligations. To the extent that Business Associate is to carry out one or more of a Covered Entity's obligations under the Privacy Rule, Business Associate shall comply with such requirements that apply to the Covered Entity in the performance of such obligations.
15. Judicial and Administrative Proceedings. In the event Business Associate receives a subpoena, court or administrative order or other discovery request or mandate for release of PHI, the affected Covered Entity shall have the right to control Business Associate's response to such request, provided that, such control does not have an adverse impact on Business Associate's compliance with existing laws. Business Associate shall notify the Covered Entity of the request as soon as reasonably practicable, but in any event within seven business days of receipt of such request.
16. Availability of Books and Records. Business Associate hereby agrees to make its internal practices, books, and records available to the Secretary of the Department of Health and Human Services for purposes of determining compliance with the HIPAA Rules.

The non-breaching party's option to have cured a breach of this Addendum shall not be construed as a waiver of any other rights the non-breaching party has in the Agreement, this Addendum or by operation of law or in equity.
18. Effect of Termination of Agreement. Upon the termination of the Agreement or this Addendum for any reason, Business Associate shall return to a Covered Entity or, at the Covered Entity's direction, destroy all PHI received from the Covered Entity that Business Associate maintains in any form, recorded on any medium, or stored in any storage system.
