

eso CHECKLISTS

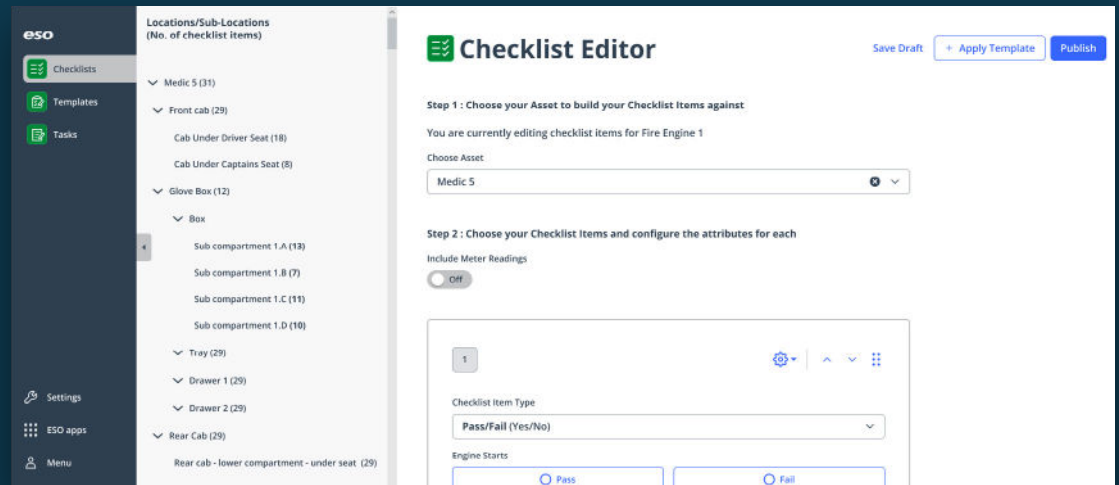

Is your team
response ready?

Respond confidently
to your next call
with ESO's modern
Checklists application.

Made for:

EMS

FIRE

Crews don't miss a beat with ESO Checklists.

Streamline your workflows.

Daily checklists only show what is on the vehicle that day and what is due – no need for multiple lists or scrambling to find a checklist item. Easily complete daily station, equipment, and vehicle checks.

Align and standardize daily operations.

Build out new processes or integrate with existing workflows to ensure your agency continues to run like a well-oiled machine. Plus, it's easy to train for newcomers, and no historical data or processes are lost when a member leaves.

Access from anywhere.

Multiple team members can access checklists, maintenance, and task assignments at their convenience – anywhere, from any device – to alleviate the burden of the task.

Some favorite features in the single platform:

- ✓ Dynamic checklists
- ✓ Accessible on any device
- ✓ Auto-generated follow-up tasks
- ✓ Cloud based
- ✓ Reporting
- ✓ Modern workflows

**Ready to leave manual
processes behind?**

**Request a demo – or learn
more about ESO's full Logistics
Management bundle – at eso.com.**

At ESO, we understand how first responders work because we've worn the uniform ourselves. Not only are our products designed for you — you'll feel like they were designed by you.
