*The Hospital Regional User Group sessions provide both nursing and registry-specific contact hours. Our nursing and registry education content reviewer is Garrett D. Hall, BSN, RN, CSTR, CAISS.

Nursing Contact Hours: This course meets the California Board of Registered Nursing Contact Hours Provided by: Trauma Analytics Provider approved by the California Board of Registered Nursing Provider #CEP17125, for 3.5 contact hours.

Registry Contact Hours: This course meets the requirements for 3.5 contact hours of trauma registry-specific continuing education.

To receive Nursing and/or Registry contact hours:
• Attendees must attend the Regional User Group session in person.
• Attendees eligible for contact hour credits are responsible for downloading their certificate after the session. Details will be provided during the session.

Seating is Limited!
